

PRE-CALC & TRIG

Day 65

ACT DAY 5

Did you grade the full ACT test we took last time?

What questions do you have from the full ACT, the abbreviated ACT, and/or the mini ACT?

What general questions do you have about the ACT next week?

Collect all of your practice tests in one place... you should have the following:

- 2 - 4 mini tests (I'll be looking for at least 2)
 - An abbreviated test
 - A full ACT booklet
-
- We will be turning them all in at the start of next week

The last 10 – 20 minutes of class

- You can work on previous Mini Tests (these will all count as your homework score for the semester and ultimately a formative quiz score based on completion and growth)
- If you want another FULL ACT they are available.
